

EMPLOYMENT IN COSMETOLOGY

Expansion in employment is expected to continue in this career due to the growing population and the desire for men and women to look professional, in-trend, younger, and well groomed. The school assists students with job placement. The curriculum includes classes on writing resumes, salon management, and public relations that offers the graduating students the opportunity to obtain employment in the type of salon setting for which they are suited.

COST

The **Staunton School of Cosmetology Incorporated** is nationally accredited by the **National Accrediting Commission of Career Arts and Sciences**. Financial aid is offered through the following programs:

PELL Grant: Pell Grants are funds that do not have to be repaid. They are awarded based on financial need, and applications are completed at the school. A copy of the anticipated financial aid is provided prior to enrollment.

SEOG Grant: The Supplemental Educational Opportunity Grant is available to students who demonstrate exceptional financial need and is intended to supplement the Pell Grant.

The school advises students as to the availability of these funds. Like the Pell Grant, SEOG funds do not have to be repaid.

Direct Loans: Direct Loans are available to students who may or may not otherwise qualify for a grant. The school completes all applications and forwards them to lenders.

Monthly Payments: The school offers a monthly payment plan for those desiring to make payments for their education.

The Financial Aid Department is highly qualified, experienced, and knowledgeable in Federal and State Rules and Regulations. The school offers the best Financial Aid Package for the prospective student.
